

The Alban Way
EXTENDED SCHOOLS CONSORTIUM

extended opportunities

Summer Term 2011

The Alban Way Extended Schools Consortium is made up of 7 local schools who work together to offer many opportunities for children, young people and their families.

Time to say Goodbye.....

After 4 years of the Alban Way Extended Schools Consortium working together to meet the needs of children, parents and families in our community it is with huge sadness that we must say goodbye. The funding for the project will cease at the end of August and the Consortium as it now stands will no longer exist.

It has been a tremendous time for us all, with so many new opportunities on offer. For some one of the most easily recognisable differences has been the availability of a vast range of holiday activities for children, for others it has been the sensitive support offered by our wonderful support workers, Jenni and Sheila. Funding has enabled us to offer parenting courses, transition projects and fabulous opportunities like the Year 2 Music Festival held at Francis Bacon in April. Individual students have received Counselling or Art Therapy to support them, often with significant results.

Not all will be lost however, as we have had the privilege to work with 7 fabulous schools who have embraced what has been on offer and made the most of the many opportunities available. They have worked closely with us to ensure that wherever possible some of the initiatives will continue beyond August.

It is testimony to the success of our partnership that there is a commitment to continue to meet and share good practice among the Head Teachers of our schools. They are committed to continue to work closely together in the delivery of support to you and in the sharing of professional practices between themselves which will benefit your children. From September you may see a link on your school website to the Alban Way Community Network that will allow you to find out about activities being offered across the 7 schools and at times some of these will be made available to you all.

We have so enjoyed working with and meeting so many families from the schools across the Consortium. We thank you for the privilege of being able to support you, and the great response we have so often received from you. We wish you all every success as you and your children move on in our wonderful schools,

Annie, Jenni, Sheila, Jan and Fiona

Summer Activities for Primary aged pupils

Overleaf you will see the activities we can offer over the summer. This is much less than in previous holidays since we are now working alone and not with other Extended School Consortia across the district. We are working with your schools to ensure that a similar offer is made in the future so do please do book places so that we know there is a demand for them.

Please look out for our yellow Alban Way community boards outside your school for more

Summer Activities 5-11 year olds

The Alban Way booking line - **01727 899220** - will open on **Wednesday 29 June at 9.30**. Booking line closes on Friday 15 July.

Changes to booking procedure. Please read carefully.

When you call, please leave you child's name, their school name, your name, booking code and a contact number.

Once we confirm you have a place please complete the form below and ensure your cheque has been written to the correct provider. Return forms to 'Extended Schools Team, Camp Primary and Nursery School, Camp Road, St Albans AL1 5PG'.

We will hold your booking for 5 working days only to allow for the forms and payment to come in, but if they are not in by that time then regrettably we will have to offer your place to someone else. Additional booking forms may be found at your school office.

For full day activities please ensure your child has a packed lunch and plenty to drink. No packed lunch is necessary for the cooking days since they will be preparing their own lunch there.
