

Why we do, what we do!

Boogaloo Boogie provides an enjoyable dance, movement, action, music and singing experience for 5-7 year olds: developing every child physically, musically & socially.

Boogaloo Boogie sessions move through a child friendly structure each week encouraging children's development through a range of teacher led movement games, dance, music, P.E activities and play.

Boogaloo Boogie was created because we believe, know and understand its value to the emotional, physical and creative growth of young children.

Boogaloo Boogie provides children with stepping-stones to creative and physical development nurturing a passion for physical activity and healthy living.

Our success is built upon our programme written by specialists who understand primary school children, creative movement, physical education and music.

Our programme is recommended by Early Years advisers, teachers, health visitors, musicians, dancers and sports professionals, as a great way of introducing children to a lifelong enjoyment of creative and physical activity.

The essential ingredients of highly qualified and trained Boogaloo Boogie staff (all of which are CRB checked) coupled with the unique, exciting programme make Boogaloo Boogie a truly magical place to be.

Our classes are hugely popular, they are fun, they are different and they sparkle. Children start a new physical journey each week, led by teachers who love what they do and who want to inspire the children in their classes.

A combination of warm up activities, street dances, themed movement training, action songs, instruments and P.E games, using multi sensory equipment, encourage children to have fun with physical activity.

Beanbags, balls, feathers, hoops, ribbons, parachute and imagination, develop children's physical skill.

'Following the success of Dinky Dancers, we are very pleased to be able to offer Boogaloo Boogie and are extremely proud that it is a valuable addition to children's daily lives.'

Lorry Slater – Founder of Active Creative Ltd

Children's Behaviour Boogaloo Boogie classes are for children only – however parents are welcome to stay and watch. Children are expected to have visited the toilet in advance of the session and are encouraged to bring a drink (flask or plastic bottle) to the session. Whilst discouraged, should your child need to go to the toilet during the class, they will be supervised by a member of our team. No child will be left unaccompanied at any time. Boogaloo Boogie teachers encourage good listening and appropriate behaviour. Children who are continuously disruptive will be asked to be supervised by a parent at all classes.

Children with Special Needs Boogaloo Boogie lessons are planned for children whatever their ability or need so that all children may not only have fun but develop many essential skills through our carefully planned lessons. We positively encourage parents who have children with special needs to join us at Boogaloo Boogie. Lorry Slater-Dinky Dancers programme director, is a qualified and experienced teacher of S.E.N.

Occasional visits from other children We do not want to overcrowd our classes therefore if you bring any child visitors with you please contact the Boogaloo Boogie office or your teacher beforehand to make sure we have the space to accommodate them. Please note that these children will attract a full class fee for each attendance.

Safety and Hygiene Safety and hygiene is important at Dinky Dancers. Children should wear comfortable /non-restrictive clothing and either indoor pumps/trainers/dance shoes or have bare feet. Class t-shirts are available to purchase in class.

Questions If you have any questions, enquiries, suggestions or your child is keen to dance to a particular piece of music, please feel free to see your teacher at the end of the class or phone 01442 874 154 (janine@boogalooogie.com).

We hope your child enjoys Boogaloo Boogie !
