

ECDL COURSE

Maths &
Computing

The European Computer Driving Licence (**ECDL**) is an internationally recognised qualification which will allow you to develop skills in using computers and demonstrate your competence. It is the fastest growing computer qualification in over one hundred countries and covers the most common spreadsheet, word processing and presentation tools used in industry today.

ECDL has been designed to allow users to develop their skills and to enhance their career prospects with a well recognised, benchmark IT qualification.

The **ECDL** course is running **at Longdean School on Wednesdays 6pm – 7pm and at South Hill Centre Mondays 1pm – 2.30pm.** Some home study would be required in order to complete the qualification.
