The October Half Term Play in the Parks is at an indoor venue or park near you!

It's completely **FREE!** No need to book... just turn up!

Sessions aimed at children aged 5 – 12 years

Children under the age of 8 can take part in the session but must be accompanied by an adult at all times. (Please note the age change for parental supervision.)

We have secured some indoor venues during the October half term to ensure we reduce the impact of weather on the scheme.

IMPORTANT

Play in the Parks is an Open Access Playscheme – this means that our leaders can only take responsibility for the children whilst they participate in the organised activities. The activities will be delivered by experienced Play Leaders, each vetted by the Criminal Records Bureau.

We advise parents/guardians to stay for the duration of the outdoor sessions as the children can leave the activity at any time. However due to limited viewing space at indoor venues we request that parents do not stay and that children are signed in and out by parents/guardians.

Parents/guardians of under eights must still accompany their children at all times if they wish them to participate.

Despite being Open Access we as a team feel it is important to have contact details for the children joining in. Please be aware that this is not compulsory but if you choose not to then this is done at your own risk. To save time at your first session we have included a registration form with this flyer, please complete, cut off and send back to the Sport Development Team. The leaders will carry these forms with them at all parks in case of an emergency – please complete one form for each child. Details of where to send this form are included overleaf.

PLAY IN THE PARKS 2010 REGISTRATION FORM

Please complete the form and send back to the Sport Development Team who will then store the form ready for the holiday period.
