

WORKSHOPS AND COURSES

Thank you for your interest in taking part in a workshop or course.

All the workshops and courses organised by Tring Extended Schools Consortium are run in conjunction with experienced parenting professionals. The facilitators will have parenting experience and will give you the opportunity to share experiences with other parents.

The number of places in the group is limited so if you're interested in taking part, please return the reply slip to Samantha Lindars, Extended Schools, Grove Road Primary School, Tring, HP23 5PD, or via email to coordinator.tring@hertsextendedschools.org.uk. Alternatively call 07598 329823 as soon as possible for further information and to book a place.
