

# Parenting Club

We are offering a six week course of Parenting Sessions in September, held on Thursday evenings from 7 - 9 pm, for all parents with children joining us in Year 7. This follows the encouraging response we had with similar courses run since 2005 and the setting up of a Parenting Club.

Secondary schooling is a huge change for children, especially those from small primary schools. We will cover as many issues as possible so that you as parents can deal with any problems as they arise at the start of Year 7.

At Chauncy, we often receive requests from parents asking for advice on how to deal with certain situations involving their children. This is an opportunity to receive and give support, and pass on your skills to other parents at this stage of their children's lives.

It is hoped that parents will set the agenda, which could cover many issues such as transition worries, the different school systems, friendship groups, homework, bullying, peer pressure and much more.

If you require further information please ring The Chauncy School on 01920 411200 and ask to speak to Rosemary Hutchinson.
