

Autumn Term, 2008

Dear Pupil,

WARE AND VILLAGES EXTENDED SCHOOLS

We would like to get your ideas for the Extended Schools Consortium in this area of East Hertfordshire.

Extended schools provide a range of services and activities, often before and after the normal school day, to help meet the needs of children, families and the wider community.

Extended services can include childcare, holiday summer schemes, adult education, community-based health and social care, after school activities such as homework, science and art clubs or special interest clubs, such as sport and drama.

The members of our group want to find out the thoughts of young people and children so that they can plan the right services for you. Therefore, we would like you to fill in this sheet of questions and hand it in to your school as soon as possible.

This is a very exciting time for schools and we hope that you will share our enthusiasm for the future.

Yours faithfully,

Paul Gough: Extended Schools Consortium Co-ordinator (Consortium 13)
