

MANAGING BEHAVIOUR

Of an Additional Needs Child

Based on Thomas Phelan's 123 magic

A **FREE** course for parents/carers with children aged 4-12 years with additional needs. The programme will provide parents with techniques to manage challenging behaviour.

- ◆ Parents explore ways of setting boundaries
- ◆ Being clear on what behaviour they want to discourage
- ◆ Practise techniques that can be used consistently and with confidence
 - ◆ Share experiences and celebrate successes

When:

Tuesdays 9.30am – 12.30pm
2nd, 9th, 16th and 23rd November 2010

**Colnbrook School, Hayling Road,
Watford, WD19 7UY**
