Tuesday 30th March 2010

The aim of the '**Getting Together**' event is to offer all the people who live in our community a chance to talk to a wide range of professionals about their children, free of charge or obligation and without the need to go through the lengthy process of having a referral made.

The afternoon will start at 2.30 p.m. with refreshments, followed by a welcoming talk and a short introduction to **123 Magic** (a useful strategy for helping parents to promote positive behaviour). From 3.00 p.m. professionals will be available for short informal chats with parents/carers about any issues they want to discuss. Please feel free to drop by at any time – it is not necessary to stay for the whole session.

It would be helpful if parents/carers could telephone **01923 209400** to register their interest in attending to allow us to plan for catering and also to let us know if they require use of the crèche facility for under 5's. However if you decide to just come along on the day you will still be very welcome.
